

Worried or Anxious

As part of the Trust we buy into the Care First Package.

How do I use the service? The service is free of charge for you to use and you don't need to ask your manager to use Care first, just call **0800 174319** and you can speak to a professional counsellor or information specialist in confidence. Care first is available 24 hours a day, 7 days a week, 365 days a year and is accessible by phone or online.
